Superior Service & Minimal Maintenance

Resulting in lasting quality you can rely on

Ideal for Sign & Print businesses, schools, offices and more!

Entry Level Laminators

Entry Level Cold Roll Laminators

An economic and practical solution for mounting, laminating & pre-masking digital prints up to 55" in width.

RSC-820CLS (32") & RSC-1402HW (55")

- Mounting up to 5/8"
- Lamination speeds up to 16 feet per minute
- Idle bars and crowned rollers for simple wrinkle free lamination
- Removable table for easier access when webbing backing or photo paper

Ideally suited for operators entering the digital finishing industry, RSC-1401CLTW 55" & RSC-820CLS 32" cold roll laminators provide an economical solution for digital finishing without sacrificing quality. Variable lamination speeds up to 16 feet per minute (RSC-1401CLTW), quick notch gap adjustment, idle bars and simple touch digital controls offer operators the perfect laminating experience. Easy to assemble & minimal maintenance is required, ensuring 55" & 32" Entry Level Laminators by Royal Sovereign provide long lasting quality digital finishing solution operators have come to depend on.

Backed by over 30 years of experience Royal Sovereign manufactures quality products you can rely on.
