# SAFETY DATA SHEET

Chemical name : -

Acute toxic : -

Oral : -

Dermal : -

Inhalation : -

Eyes contact : -

Sensibility : -

Other information : -

## 12. ECOLOGICAL INFORMATIONS

Mobility : -

Degradability : -

Ecotoxic : -

Other information : -

## 13. DISPOSAL CONSIDERATION

Waste stuff treatment: **As solid urban waste stuff in conformity with the local law**

Water pollution : **INSOLUBLE**

## 14. TRANSPORT INFORMATION

Danger : **NOTHING**

## 15. REGULARY INFORMATION

Information on the label:

Designation or brande name of the product :

Misure : -

Lot number : -

Other information : -

## 16. OTHER INFORMATION

Datas and information in this safety sheet are based on the knowledges we worked out until the date of the last revision. We don't assure that the whole safety measures are here enclosed and, as a consequence, any other measures can be requested in particular and unusual conditions or circumstances. The operator must be sure of the aptitude and the wholeness of the informations for the right utilisation. LEYKOM doesn't incur any responsibility if the product is used in a way that is different from what was established.
