

◆ Features

- ✦ Constant Current Technology, 15 pcs per series, Cut off 3 pc
- ✦ The back of the radiator for cooling
- ✦ Injection molding process, Waterproof: IP 67
- ✦ OSRAM Square LED, High brightness and reliability
- ✦ Energy saving, Environment friendly
- ✦ Long life span
- ✦ Suitable for 15-30 cm thickness single or double side light boxes.

◆ Applications

- ✦ Commercial standing lighting
- ✦ Light box lighting

◆ Dimensions

Note: The pitch is variable.

◆ Technical parameters

Color	Wave Length Or CCT	Operating Voltage	Rated Power per module	Beam Angle	Lm Flux per module	IP Rank
Pure white	6000-7500K	DC12V	4.5W	15×55°	400lm	IP67
