

Jumbo Rolls Transporter

The perfect solution to store & transport wide format rolls.

Jumbo Rolls Transporter has been specifically designed for large size rolls. It is possible to use it for storage in a fixed position as well as to move it around your print shop.

You can also use **three** Jumbo Rolls Transporters for heavier rolls or 198 inches-long rolls to avoid deformations.

Note that heavier rolls should be stored on the Jumbo lowest position.

6
ROLLS

10"
