

# BullRack

## Store more rolls in less space!

Our heavy steel construction Bull Rack has been designed with sign makers in mind as you can easily access any of the 15 rolls (up to 162 cm wide).

It is mounted on heavy duty locking wheels for easy maneuver around your print shop and there is an optional vinyl cutter available.

# EasyRack

The ergonomic solutions for roll storage! 

Avoid back pain when loading and unloading rolls due to its ergonomic design.

Easy Rack has been designed to make your job easier. It has a hinge mechanism in all positions to reduce the overexertion needed when lifting heavy rolls from the ground that often will lead to back pains. Easy Rack is mounted on locking wheels and has a convenient handle to move it around your production area.

- Move and unload rolls effortless.
- Reduce times off work.
- No more back pain.
