

◆ **Features**

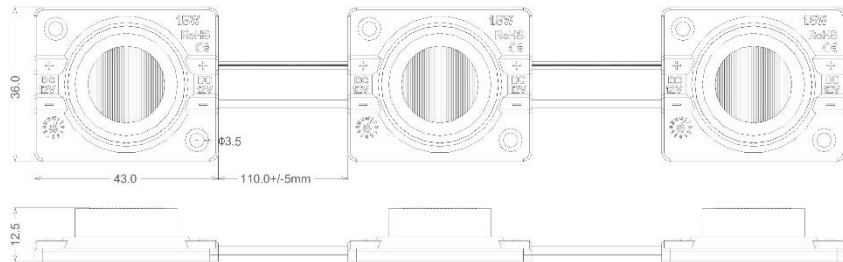

- ✦ Constant Current Technology, 30pcs per series
- ✦ The exposed Aluminum plate for heat dissipation
- ✦ Injection molding process, Waterproof: IP 67
- ✦ EMC LED, High brightness and reliability
- ✦ Energy saving, Environment friendly
- ✦ Long life span
- ✦ Easy mounting system
- ✦ Suitable for 10-25cm thickness single or double side light boxes.

◆ **Applications**

- ✦ Commercial standing lighting
- ✦ Light box lighting

◆ **Dimensions**

Note: The pitch is variable.

◆ **Technical parameters**

Color	Wave Length Or CCT	Operating Voltage	Rated Power per module	Beam Angle	Lm Flux per module	IP Rank
Cool white	6000-7500K	DC12V	1.5W	15×55°	125lm	IP67
