The lockable Window Frame system is available in a 32 mm profile. Thanks to 2 anti-reflex PET covers, your posters can be displayed both indoor & outdoor. The system includes a decorative back profile to hide the double-sided adhesive tape holding the frame up to the window. As the tape surrounds the whole frame, it prevents any water flow from the outside in order to keep your poster dry. The profiles open sequentially and the lockable system ensures your poster is never accessed by unauthorized third parties. Antiglare poster cover sheet.

Fast Note is a product which enables you to hang your papers, notes, pictures or photos without magnets or pins. It has a slim and compact design. Thanks to the cylinders in the profile you can easily keep the paper inside. Fast Note is suitable for restaurants, agencies, studios, hospitals, hotels, conference rooms, houses and offices.

FAST NOTE

Double sided magnetic drywipe and revolving Whiteboard which offers one side plain smooth surface and the other side allows inserting papers together with drywipe surface. Sturdy Aluminium framed Whiteboards available in large sizes for presentations, training rooms, hanging artworks, maps and charts. The Fast Note on the other side allows inserting various sheets of paper and it is held in place with specially designed rollers. Easy to move the board with locking wheels.

Produced with durable steel material to suit outdoor conditions, Restaurant board is ideal for displaying menus, special offers, events and more. Steel base is covered with soft material to protect the floors. Textured black or Black-Grey finish is available. Message can be changed easily and captures the customer's attention in all frequented traffic areas.

RESTAURANT BOARDS

The aluminium A Boards are durable and stable pavement signs, that holds printed poster, menus and deals and helps to get noticed in various environments. This outdoor sign has an easy to use snap open, front loading profiles which allows for a quick change of the poster. We offer different profiles with different corner finishings; Mitred, round and safe. It is ready for use as requires no tool assembly.

OMNIFRAME

www.omni-frame.com

Suitable for outdoor large format prints, Omni Frame is a large format Outdoor Banner System, made from lightweight aluminium. It is ideal for use with PVC eyelet banners and mainly used for large advertising areas which need to be changed regularly such as most forecourts and retail environments. Omni Frame is suitable for flat, large banners on buildings as well as mounting stand displays for indoor and outdoor use. This banner holder is assembled quickly and easily, it is a real alternative to traditional billboards.

OMNI FRAME

Wall fixing screws of Omni Frame are included in the pack which are CE certified multi-expansion long plugs. Special anti-corrosion coated screw is made of zinc coated steel and plastic sleeve made of high quality of nylon. It is confirmed for outdoor fixing on various exterior building surfaces such as concrete, solid or honeycomb brick, hollow dense or hollow light aggregate block, aerated concrete and solid stone.

The first eyelet should be placed on the corners 40mm from the edges of poster used for Omni Frame. Please see below basic drawing. The other eyelets can be applied spacing 15-30cm from the first eyelet depending on the environment to be used.

Constructed aluminium, Omni A Board is a double sided, heavy outdoor banner system. It is ideal for use with PVC eyelet banners. Omni A Board is used for large advertising areas that the banner needs to be changed regularly or carried to different places. It is a great accompaniment for outdoor events, marquees and race. Omni Frame withstands approximately 42-50 kph wind.
